An Action rhyme by Wendy Cope. A favourite chosen by Sycamore Class.

If I had a silver coin,
I'd take it to the shop,
And I would buy myself a lovely orange lollypop.

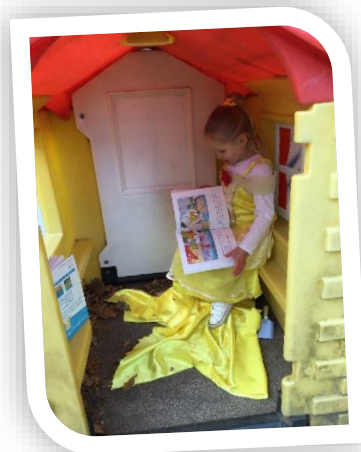

I'd unwrap all the paper,
I'd lick and lick and lick,
And when I'd finished licking,
I'd only have the stick.

I wouldn't throw it on the ground,
I wouldn't poke my brother,
I'd put it in the rubbish bin,
And wish I had another!

Children are surrounded by stories, songs and rhymes, helping them to learn new vocabulary." OFSTED 2023

We love to read in school, we read in story dens, in the book corner, at a table, on the floor...where is your favourite place to read?

“Pupils speak highly of their visits to the inspirational school library”
OFSTED 2023

Our school library is situated in the center of the school. Each class is timetabled to use it for borrowing books, reading and sharing stories and learning about different texts and the organisation of a library. We are very lucky to have this wonderful space. **If you've read a good book recently, let your teacher know, or better still, bring it in so that we can share it at story time.**

All of our Year 1 and 2 children were lucky enough to visit Willowhale Library when they were in Reception. They all have their own library card. Willowhale is a gorgeous, friendly library and it's a great place to visit. It's right next to Grove House surgery in Rose Green.
